# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Wilmot in the (L. S.) County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Wilmot on Tuesday, the 13th day of March, next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby further notified to meet at the Town Hall in said Wilmot the 13th day of March, next at seven of the clock in the evening, to act upon the following subjects:

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to negotiate the extension or renewal of the notes securing such loans when it is necessary.

4. To see if the Town will vote to raise and appropriate the sum of \$1,579.00 (One thousand five hundred seventy nine dollars and no cents) for the Kearsarge Visiting Nurse Association.

5. (Requested) To see if the Town will vote to raise and appropriate the sum of \$7,500.00 (Seven thousand five hundred dollars and no cents) for the Wilmot Volunteer Fire Company, Inc.

6. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 (One thousand two hundred dollars and no cents) for the New London Hospital.

7. To see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed to be surplus to the Town needs; the sale of highway material or equipment to be made with the approval of the Road Agent.

8. To see if the Town will vote to be a member of the regional planning commission, organized and named the Upper-Valley Lake Sunapee Council and to appropriate the sum of \$608.00 (Six hundred Eight dollars and no cents) as the Town's share of the annual operating expenses of the regional planning commission to be used in conjunction with other state and federal funds available for planning purposes.

9. To see if the Town will vote to raise and appropriate the sum of \$1,537.00 (One thousand five hundred thirty seven dollars and no cents) for the continuation of services to the low income residents of Wilmot through the Kearsarge Valley Area Center of the Community Action Program, Belknap-Merrimack Counties, Inc.

10. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 (Two thousand dollars and no cents) to help in the operation of the Wilmot Learning Place, a non-profit organization for the preparation and adjustment of our four and five year old children towards their advancement into their formal education. The By-Laws of the Wilmot Learning Place state "All funds provided by the Town of Wilmot shall be applied as direct subsidization for the students from Wilmot only. No out of town child shall be taken without paying full tuition." The Wilmot Learning Place is incorporated in accordance with RSA 292 and licensed by the State of NH in accordance with RSA 17:E-3.

11. To see if the Town of Wilmot will vote to raise and appropriate the sum of \$1,200.00 (One thousand two hundred dollars and no cents) for the New London Ambulance Service.

12. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 (One thousand five hundred dollars and no cents) for the erection of road signs in the town, in accordance with a petition signed by Helen White and others.

13. To see if the Town will vote to raise and appropriate the sum of \$2,200.00 (Two thousand two hundred dollars and no cents) for the establishment and equipping of a F.A.S.T. Squad for the town.

14. To see if the Town will vote to accept title and ownership to the so-called Tannery Pond dam. Such acquisition to be at no cost to the town.

15. To see if the Town will vote to appropriate and authorize withdrawal of \$9,000.00 (Nine thousand dollars and no cents) from Federal Revenue Sharing Funds for re-construction of the Tannery Pond dam.

16. To see if the Town will vote to authorize the Selectmen to apply for any Federal or State grants that may be available as matching funds for the reconstruction of the Tannery Pond dam.

17. To see if the Town will vote to authorize the Selectmen to accept any grants that may be allocated to the town under Article 16, and expend same.

18. To see if the Town will vote to appropriate and authorize withdrawal of \$12,000.00 (Twelve thousand dollars and no cents) from Federal Revenue Sharing Funds for construction of toilet facilities, and related repairs to the Town Hall.

19. To see if the Town will vote to amend the Wilmot Planning Ordinance on Flood Plain Insurance to include the following:

1. "The responsible person shall require that all subdivision proposals and other proposed new developments greater than 50 lots or 5 acres, whichever is the lesser, include within such proposals base flood elevation data;"
2. "The responsible person shall obtain and reasonably utilize any base flood elevation data available from a Federal, State, or other source, until such other data has been provided by the Administrator, as criteria for requiring that (i) all new construction and substantial im-

provements of residential structures have the lowest floor (including basement) elevated to or above the base flood level and (ii) all new construction and substantial improvements of non-residential structures have the lowest floor (including basement) elevated or flood-proofed to or above the base flood level;”

3. “The responsible person shall notify, in riverine situations, adjacent communities and the State Coordinating Office prior to any alteration or relocation of a water course, and submit copies of such notifications to the Federal Insurance Administration;”
4. “The responsible person shall assure that the flood carrying capacity within the altered or relocated portion of any watercourse is maintained;”
5. “The responsible person shall require that all mobile homes to be placed within Zone A on the community’s Flood Hazard Boundary Map shall be anchored to resist flotation, collapse, or lateral movement by providing over-the-top and frame ties to ground anchors. Specific requirements shall be that (i) over-the-top ties be provided at each of the four corners of the mobile home, with additional ties per side at intermediate locations and mobile home less than 50 feet long requiring one additional tie per side; (ii) frame ties be provided at each corner of the home with five additional ties per side at intermediate points and mobile homes less than 50 feet long requiring four additional ties per side; (iii) all components of the anchoring system be capable of carrying a force of 4,800 pounds; and (iv) any additions to the mobile home be similarly anchored;”
6. “DEFINITIONS. Unless specifically defined below, words or phrases used in this document shall be interpreted so as to give them the same meaning as they have in common usage and so as to give this document its most reasonable application.

“Base Flood” means the flood having a one percent chance of being equalled or exceeded in any given year.

“Development” means any man-made change to improved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operations.

“Flood” means a general and temporary condition of partial or complete inundation of normally dry land areas from:

- (1) The overflow of inland or tidal waters.
- (2) The unusual and rapid accumulation or runoff of surface waters from any source.

“Flood Plain” or “Flood prone area” means any land area susceptible to being inundated by water from any source (see definition of “flood”).

“Floodproofing” means any combination of structural and non-structural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real pro-

perty, water and sanitary facilities, structures, and their contents.

“Habitable floor” means any floor usable for living purposes, which includes working, sleeping, eating, cooking or recreation, or a combination thereof. A floor used only for storage purposes is not a “Habitable floor”.

“Mobile home” means a structure, transportable in one or more sections, which is built on a permanent chassis and designed to be used with or without a permanent foundation when connected to the required utilities. It does not include recreational vehicles or travel trailers. The term includes, but it is not limited to, the definition of “Mobile home” as set forth in regulations governing the Mobile Home Safety and Construction Standards Program (24 CFR 3282.7(a)).

“Person” includes any individual or group of individuals, corporation, partnership, association, or any other entity, including State and local governments and agencies.

“Riverine” means relating to, formed by, or resembling a river (including tributaries), stream, brook, etc.

“Structure” means, for flood plain management purposes, a walled or roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a mobile home.

“Substantial improvement” means any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either, (a) before the improvement or repair is started, or (b) if the structure has been damaged, and is being restored, before the damage occurred. For the purposes of this definition “substantial improvement” is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. The term does not, however, include either (1) any project for improvement of a structure to comply with existing state or local health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or (2) any alteration of a structure listed on the National Register of Historic Places or a State Inventory of Historic Places.

“Variance” means a grant of relief by a community from the terms of a flood plain management regulation.”

20. To see if the Town will vote to raise and appropriate the sum of \$29,000.00 (Twenty-nine thousand dollars and no cents) for the purchase of a new diesel truck for town road maintenance. With \$23,500.00 (Twenty-three thousand five hundred dollars and no cents) being taken from Capital Reserve Fund, Equipment Fund and \$5,500.00 (Five thousand and five hundred dollars and no cents) to be taken from highway department appropriation.

21. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 15th day of February, in the year of our Lord nineteen hundred and eighty-four.

RICHARD H. BACON  
ROBERT R. TAWNEY  
EARLE CHANDLER

Selectmen of Wilmot

A true copy of Warrant—Attest:

RICHARD H. BACON  
ROBERT R. TAWNEY  
EARLE CHANDLER

Selectmen of Wilmot

### SELECTMEN'S NOTES

Our largest road construction job was the work done on the Kearsarge Valley Road which should be completed this year. It is anticipated that a new grader will be needed in another year.

A committee was appointed to study and report on Tannery Pond dam and its report is included elsewhere in the Town Report.

We saw a large increase in taxes for 1983 which was due to having no surplus to apply against the tax rate and a reduction in state funds. 1984 should be a better year tax wise.

The Town lost one of its most respected citizens on September 15, 1983 when L. Caroline Lajoie passed away. She served the town as postmaster for 20 years and was very active in, and supportive of, all Town affairs.

The Town was forced to leave the McLeod Landfill in Andover and we then went to Danbury at a slightly higher fee. We are attempting to recover the added expense from Mr. McLeod. The town will be looking for a new solution this June as the Danbury location will be closed.

# PROPOSED BUDGET 1984

## AUDITOR'S REPORT

I have carefully examined the records, accounts, and reports of the Treasurer, Town Clerk, Tax Collector, and Selectmen of the Town of Wilmot for the year ending December 31, 1983. It is my opinion that these records, accounts, and reports are accurately presented herein.

JOHN JUST  
Town Auditor  
Town of Wilmot, N.H.  
February 8, 1984

### WILMOT TOWN MEETING

March 8, 1983  
7:00 P.M.

ARTICLE 1: 144 Ballots cast out of 426 registered voters.

The motion was made by Earle Chandler that the polls be closed at 6:00 P.M.

ARTICLE 2: The motion was made by Earle Chandler to raise and appropriate the sum of \$185,058.04 to cover expenses for the ensuing year, with any and all income to be applied against this amount.

Discussion followed, and the following amendments to article 2 were made and carried:

John White made a motion to increase the general government buildings from \$7,000.00 to \$8,000.00 to cover painting the library; motion seconded and carried.

Earle Chandler made a motion to delete \$560.00 under advertising and regional association to be taken up under article 8; motion seconded and carried.

Earle Chandler also made a motion to delete \$1800.00 under the Learning Place to be taken up under article 9; motion was seconded and carried.

A motion was made by Earle Chandler to accept the amended article; to raise and appropriate the sum of \$183,698.04. The motion was seconded and carried.

ARTICLE 3: The motion was made by Richard Bacon to accept article 3 as written - "To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to negotiate the extension or renewal of the notes securing such loans when it is necessary" - Motion was seconded and carried.

ARTICLE 4: Alice Chandler made the motion to see if the Town will vote to raise and appropriate the sum of \$1,446.00 for the Kearsarge Visiting Nurse Association. The motion was seconded and carried.

ARTICLE 5: The motion was made by Keith Fleury to see if the Town will vote to raise and appropriate the sum of \$7,500.00, for the Wilmot Volunteer Fire Company, Inc. The motion was seconded and carried.

ARTICLE 6: The motion was made by Robert Tawney to see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the New London Hospital. Motion seconded and carried.

ARTICLE 7: Earle Chandler made the motion to see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed to be surplus to the Town needs; the sale of highway material or equipment to be made with the approval of the Road Agent. Motion was seconded and carried. Mr. Chandler explained the necessity of this article.

ARTICLE 8: The motion was made by John Madden to accept article 8 as written with the amendment to change the figure of \$400.00 to \$581.00; the motion was made on the amendment, seconded and carried. Discussion followed.

The motion was then made to see if the Town will vote to be a member of the regional planning commission, organized and named the Upper Valley-Lake Sunapee Council and to appropriate the sum of \$581.00 as the Town's share of the annual operating expenses of the regional planning commission to be used in conjunction with other state and federal funds available for planning purposes. The motion was seconded and carried.

ARTICLE 9: The motion was made by Carol MacDonald to see if the Town will vote to raise and appropriate the sum of \$1,800.00 to help in the operation of the Wilmot Learning Place, a non-profit organization for the preparation and adjustment of our four and five year old children towards their advancement into their formal education. The Wilmot Learning Place is incorporated in accordance with RSA 292 and licensed by the State of N.H. in accordance with RSA 17:E-3. The following amendment was made by Earle Chandler - "that any out of town child be taken into the Wilmot Learning Place without paying full tuition; i.e. they will not be subsidized by this Town". Article 9 was further amended by Mary Jane Schoeler that the by-laws be changed to include the above amendment made by Earle Chandler. Article 9, as amended, was then moved, seconded and carried.

ARTICLE 10: The motion was made by Richard Bacon to see if the Town will vote to raise and appropriate the sum of \$160.00 for membership in the Dartmouth-Lake Sunapee Association. Motion was seconded and carried.

ARTICLE 11: Richard Bacon made the motion to indefinitely postpone article 11 which reads as follows: "To see if the Town of Wilmot will vote to raise and appropriate the sum of \$1,537.00 for the continuation of services (Congregate Meals, Meals on Wheels, Fuel Assistance, Head Start, Senior Companion Program, Transportation, Weatherization and Women, Infants and Children) to the low income and elderly residents of the Town of Wilmot through the Kearsarge Valley Area Center of the Community Action Program Belknap/Merrimack Counties, Inc., per petition signed by Martha Peabody and others". Much

discussion followed after which the motion was seconded and carried by a voice vote. However, the voice vote was challenged by Donald Brady who asked for a hand vote which resulted in 42 Yes, 17 No, the motion being carried to indefinitely postpone article 11.

ARTICLE 12: The motion was made by Frances Wilcox to see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Wilmot and to the health and welfare of the people of Wilmot, per petition signed by Doris M. Langenau and others. The motion was seconded and carried.

ARTICLE 13: Marion Allen made the motion to adopt article 13 as written - "Shall the citizens of Wilmot ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with varification safeguards satisfactory to both countries, per petition signed by Edith K. Meyer-Campbell and others. Much discussion ensued. Motion was seconded and a voice vote made, but recalled, and the moderator asked for a hand vote - the article was defeated.

The moderator asked if there was any other business to come before the meeting. Mildred Howard moved that the voters of Wilmot direct the Town Clerk to reinstitute the annual publication of vital statistics, allowable by law, in the town report, and further, that she provide the voters a printed copy of the 1982 statistics for insertion into their copies of the town report for 1982. Much discussion followed. The motion was seconded and carried.

Motion was made by Donald Brady to adjourn the meeting, and it was opposed so the motion withdrawn, and more discussion ensued in regard to the following items:

1. Mary Jane Schoeler spoke in regard to the Library Trustees having printed material on hand to give to new people moving into town so that they would be more familiar with the town's activities, etc.;
2. Frances Wilcox spoke in regard to having the town hall fixed up. (Mr. Chandler explained that there were no funds appropriated for this, this year, however, if we received Revenue Sharing money, that it might be possible, and it will be kept in mind.)
3. Betsy Forsham asked if the Selectmen were still looking into the possibility of recycling in the future. (Mr. Chandler spoke in regard to this and mentioned the great expense involved.)
4. Keith Fleury asked if the inventory forms were going to be sent out (Mr. Chandler explained that they are no longer required, and if sent out they have to charge the penalty if they are not returned by a certain time. However, if anyone wants one, they will be willing to send one to them.)

5. Helen White asked if it is possible to put up street signs, using monies raised for the highway maintenance budget. (Mr. Chandler explained that there was no money appropriated for this, this year, and therefore it cannot be done; however, something could be put in the budget next year if requested - perhaps do it gradually as it is very expensive - and they will present it at next year's budget meeting. Richard Bacon also spoke on this issue.)

Motion was made by Donald Brady, once again, to adjourn the meeting; this was seconded and carried.

Respectfully submitted,  
Esther L. Grace,  
Town Clerk

		\$405.55
134 Town Clerk & State Fees	<u>134.00</u>	
		\$539.55

Respectfully submitted,  
ESTHER L. GRACE  
Town Clerk

## REPORT OF WILMOT CEMETERY TRUSTEES

Restoration of the Tewksbury Cemetery began last fall. Perry's Granite Memorials of Tilton, N.H., will restore the cemetery over several years. Due to accelerated costs and the poor condition of the cemetery, it will take time to restore Tewksbury Cemetery.

The Wilmot Historical Society has continued to work on the restoration of Stearns Cemetery. The area has been raked and seeded. The grass has been mowed, and the grass around the stones has been clipped.

We again thank Clayton Nowell for the generous giving of his time in caring for the North Road Cemetery. Our thanks also extend to Bob Stewart, who donated his time to maintain White Pond Cemetery.

Respectfully submitted,  
FLORENCE LANGLEY  
BETSY BIDWELL

**WILMOT VOLUNTEER FIRE COMPANY, INC.**  
**Wilmot Flat, New Hampshire 03287**

**FINANCIAL STATEMENT FOR YEAR ENDING DECEMBER 31, 1983**

KEITH FLEURY,  
Treasurer

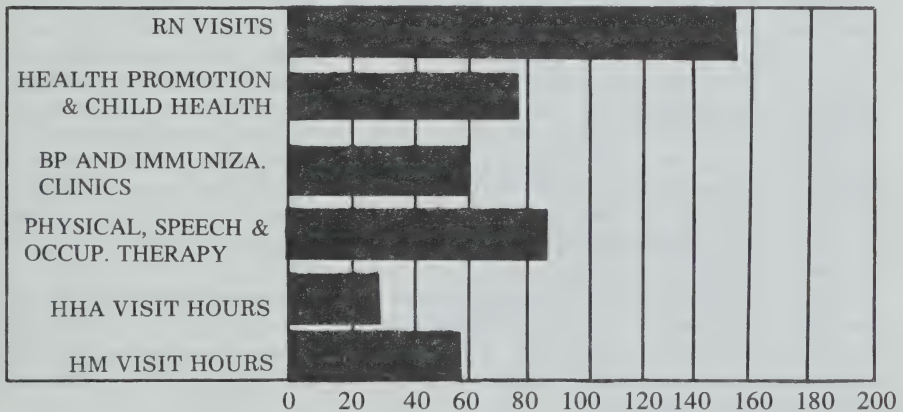

## “HEALTH BEGINS AT HOME”

### KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

During 1983, the Kearsarge Visiting Nurse Association has continued its growth in services to the towns of Andover, Bradford, Danbury, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. We are proud of the professionalism of our staff which now totals 17 and our two new services of Speech Therapy and Social Services. The enrollment in our Child Health Clinic totals 170 children from birth to 6 years of age. The opening of an office in Bradford has been a success and very much appreciated by the communities in our southern catchment area. We have expanded our services without asking for an increase in town appropriations for the **fifth** year in a row.

The graph represents the visits made to your town during 1983.

If you know of someone who needs help, please call us in New London at 526-4077 or Bradford at 938-2002 for a free evaluation visit. We are a Medicare Certified Agency and will be happy to help you answer any questions you may have regarding home health care.

Robin Gallup, RN  
*Co-director*

Tanya Wilkie, RN  
*Co-director*

Representatives from your town on our Board of Directors are:

Mrs. Nancy Schlosser

Mr. John White

## THE WILMOT LEARNING PLACE

The primary function of The Wilmot Learning Place is to provide a quality pre-school educational experience to the children of Wilmot.

The main objective of the school is to provide experiences and opportunities which will develop positive attitudes toward learning and encourage growth.

Through our program we are aiming to guide the child in developing socially, physically and academically. Socially we aim to help the child learn to share, get along with his peers and adults, work in groups (large and small), listen to others, cooperate with others, and to follow directions. We aim to help the child "come into his own", to feel a sense of pride in himself, and to develop self-confidence.

Physically, we are aiming to help the child in developing both gross motor skills and fine motor skills. Gross motor skills; hopping, skipping, balance, jumping, are all developed through free play as well as organized games. Fine motor skills, which are needed for cutting, coloring, copying, and writing are developed through various activities. Fine motor coordination depends on a child's own development, however, we attempt to create an environment which will help to foster this development. We provide clay to work muscles of the fingers, we show a child how to cut with scissors, and we allow for plenty of practice with fun coloring and arts and crafts activities!

Academically we are preparing the children for reading, writing and arithmetic. We teach the children to recognize and print their own names and the letters of the alphabet. We help the children to recognize the letter sound. We are teaching the children how to count to ten (and higher), to recognize numerals, and to know what they mean. "Ten" means something—a specific amount of cookies or people. The children learn to recognize shapes, colors, and sizes through hands-on activities.

We also have other objectives within the program. We aim to develop a greater awareness of self both physically and emotionally. The children learn about their bodies and what's good for them. They take a look at their emotions and learn to deal with them. They see how their behavior relates to others, the teachers and other children get "grouchy" when you're not doing your part to help. They learn to relate to several adults thanks to **great** volunteers that visit the school daily. With lots of praise children develop a sense of pride and accomplishment in their work and their behavior. They develop a sense of belonging by making friends with the group. They develop a greater sense of community through visits and field trips within the community. Visits have been made to farms, the Fire Station, McDonald's Restaurant, the Extended Care division of the Hospital, Squam Lake Science Center, plays in the area, and weekly trips are taken to the Wilmot Public Library.

We are attempting to offer children of Wilmot a variety of experiences which will be exciting and fun and will help the child feel good about themselves. We provide social and academic activities which build a solid "bridge" between home and school, the children are not pressured. We hope to make the entrance to first grade or readiness a smooth, "Happy Experience".

Respectfully submitted,  
Jill Coffey,  
Teacher

Treasurer

## REPORT OF THE LIBRARY TRUSTEES

The Wilmot Library is alive and well. We are pleased to note a continued increase in circulation as newcomers to town avail themselves of this town facility. Many new books have been added to the permanent collection, including 16 large boxes in every category acquired from the State Library when they had to dispose of the bookmobile service. These former State Library books are now being integrated into our collection. The cataloguing of them goes on as rapidly as possible thanks to the diligent efforts of our librarian and several volunteers.

The addition of these books and another bank of card catalogue drawers has necessitated further rearrangement and addition of book shelves. We have purchased a Canon copier which is available for public use during library hours. Also, two ceiling fans have been installed to circulate heat in the room and cut fuel consumption. These improvements are made possible by the income from our trust fund. The trustees hope that the anonymous donor approves of such use. Town appropriation funds are used for the actual, everyday expenses of operating the library.

As always, we wish to express our thanks to all those who give their time and interest to the library: Mary Jane Schoeler, librarian; Arline French, Clara Langley, Florence Langley, Kay Mulder, Betty Nicoll, Mary Jane Ogmundson, Judy Walker, Helen White and Fran Wilcox, volunteers. And, as always, we extend an invitation to anyone who would like to join us in this community service.

The library will be open all day on Town Meeting Day. We hope many of you will take time to visit your library, a cultural center of which we can all be justly proud.

CATHERINE FITZGERALD

THELMA MINARD

JOHN WHITE

## REPORT OF THE WILMOT PLANNING BOARD

While recent published news releases suggest that Wilmot is the fastest growing town in Merrimack County, the Wilmot Planning Board has had few requests for subdivision approvals during the past year. Several annexations were approved increasing areas of small existing lots and several plans were acknowledged as property surveys for recording purposes.

A substantial amount of time was spent by all members of the Board to become more knowledgeable as to the laws and the Boards responsibilities as mandated by the State Legislature. The New Hampshire Municipal Association conducted a Law Lecture Series, all lectures were attended by members of the Board, and our knowledge was greatly updated within the State RSA's.

The National Flood Insurance Program was again brought before the Board in that Wilmot had not fully qualified in past years to become eligible to be included within the program. While only a small number of residential units are affected at present, the Board feels it important to comply with this Legislation to provide insurance protection to those affected, and we are offering proposed revisions to the Town Ordinance so that we may fully comply for membership.

A final topic now being taken into consideration by the Board is the potential updating of the Wilmot Master Plan. While mandated by State Legislation, the Courts appear to rely heavily on its contents to resolve actions brought against municipalities. While we do not anticipate problems, the Board feels it should be prepared and is encouraged to provide a strong but reasonable planning direction to maintain the quality of our community.

JOHN H. MORSE  
Chairman

## WILMOT POLICE DEPARTMENT REPORT - 1983

Your police department is dispatched through the New London Dispatching Service. For a faster and more efficient response for police, fire, or ambulance assistance, we greatly urge you to use the 526-2626 telephone number. Please remember to inform the Dispatcher the nature of your problem, a good description of the location of problem, your name, and a phone number where you can be contacted. The department wishes to thank everyone for their cooperation.

Respectfully submitted,  
DON BROWN  
PAUL BARTON  
DENNIS FITZGERALD

In 1983 your Police Department handled the following activities:

	1982	1983
Ambulance Assist	6	4
Assault	2	1
Assisting other police dept.	6	6

Theft	5	2
Untimely Deaths	1	1
Vandalism	—	2
Harrassment	—	3

## REPORT OF THE TANNERY POND DAM COMMITTEE

The committee was formed on October 19, 1983 at the request of the Selectmen to determine what action should be taken to preserve Tannery Pond Dam.

The Selectmen were motivated by the following factors:

1. The Dam has been determined by the New Hampshire Water Resources Board to be in need of serious repair. Without repairs the N.H.W.R.B. would require the Dam to be breeched.
2. The Town benefits from the Pond in many ways:
  - A. Fire protection for the entire town due to proximity to the fire station.
  - B. Recreation provided through the community center beach program and winter activities.
  - C. Contributes to the beauty of the town.
3. The present owner of the Dam cannot afford the required repairs.

The committee met weekly over a period of 3½ months and came to the following conclusions:

1. The Dam should be preserved for the reasons stated above.
2. The Town by law cannot spend funds to improve private property.
3. The owner is willing to gift the Dam to the Town.
4. The Dam can be brought to first class condition for a cost of \$18,000.
5. The Committee recommends that one-half (\$9,000) be provided by the Town and one-half (\$9,000) be provided by a block grant from the N.H. Office of State Planning. While the grant cannot be guaranteed, the committee has determined that the Town has a very good chance of receiving the grant because of the need for fire protection and benefits of the beach program to moderate and low income citizens.
6. Bids have been received from three contractors and a local contractor submitted the lowest bid.
7. The services of a qualified Engineer are available to oversee the project.
8. Citizen volunteers will be available to do that work not requiring a contractor.

The Dam is an important asset to the community that will be lost if action is not taken. The conditions are right for the Town to receive the Dam as a gift and complete repairs at reasonable cost. The Committee unanimously urges all citizens of Wilmot to approve the articles in the Warrant which allow the Town to accept and repair the Dam.

KEVIN DRAKE,  
*Chairman and Fire Department Representative*  
ROBERT TAWNEY,
